Randy Walker – Fiber Artist:

Writing/Essay/Journal

Randy Walker creates woven and wrapped objects. When he is creating a work, he states “I don’t look ahead...I try to enjoy the process.” Write about how this philosophy might speak to your own work or to your own life. How is movement explored in the feature work of Randy?

Activity

Identify everyday objects in and around your house that could be woven or wrapped. If you’re inspired, grab a needle and spool of thread and give it a try!
