Robyn Stoller Awend – Letterpress Artist:

Writing/Essay/Journal

Robyn Stoller Awend uses the Hebrew alphabet in her letterpress printing. She explains that it is “part of her cultural identity.” How is art able to both simultaneously celebrate a defining aspect of one’s culture while inviting a diverse audience to engage with the work? What role does technology and/or automation play in the creative process of Robyn’s art?

Activity

Cut out interesting letters from magazines and other print. Make a non-linear collage in which text is incorporated but it does not say something explicitly. Add color if desired?
